Dear dog friends,

We have listed some accommodations options near Dennenlohe Castle.

On the day of our query, there were still accommodations in the hotels and campsite available.

However, the SSV can not guarantee the availability or quality.

Please contact the hotels or campsite directly by yourself.

Please note:

There are no overnight spaces available for camper vans on the exhibition grounds.

Therefore, please use the campsites in the area for overnight stays.

Only parking spaces are available at the castle during the event.

Dogs are welcome in the park as well as in the Marsstall

Therefore, please do not leave dogs in the car or the camper vans.
