

100 Years of the Swiss Mountain Dog Association for Germany (SSV)

1923 – 2023

September 8th to 10th, 2023

## **Meeting of the Entlebucher and Great Swiss Mountain dogs on the anniversary weekend "100 years SSV"**

The working groups of the Entlebucher and Greater Swiss Mountain Dogs cordially invite you to the dog meeting on Sunday, September 10<sup>th</sup> on the grounds of Dennenlohe Castle.

We will meet at 9.30 am and start the day with a walk.

Depending on their level of fitness, the human-dog teams can decide whether they want to complete a short or a longer route. Our guides will explain the details on site.

After the walk, it is time for our fun course!

Everyone is accompanied by an experienced trainer and should have a lot of fun with the small and large sense of achievement without any pressure to perform!

Once everyone has mastered their personal challenges, we will show higher requirements: Our President Mrs. Christel Fechler will explain how to get breeding licence for a dog. For illustrative purposes, parts of the licensing process will be demonstrated by an active breeder.

As a practical benefit for the participants of the breed day, we will issue alive reports - of course free of charge! If possible, provide a fulfilled "SSV-Alive Report", a copy of the dogs pedigree, please.

If you want to strengthen yourself during all these activities, you can do so in the "Orangerie".

At the end of the day around 2 p.m. we meet in the Marsstall.

There, AK Entlebucher and GS will jointly present their activity reports and be available for questions.

Our common breed day will be the conclusion of the festival weekend "100 years SSV"  
- we are looking forward to meet you!!!
